

Ngo Van Son

Front End Developer

- With over a year of experience in web development, I have built a solid foundation in HTML, CSS, ReactJS, and Next.js, allowing me to develop responsive and user-friendly web applications. I am excited about the opportunity to bring my skills and enthusiasm for learning to your team.
- Although my English communication skills are moderate, I am continuously improving them to effectively collaborate in an international environment. I am a dedicated and quick learner, eager to expand my technical knowledge and contribute meaningfully to any team I join.
